

New advances in seismic risk assessment and disaster mitigation

May 23-24, 2016
Tashkent, Uzbekistan

Topics

Seismic risk assessment
Earthquake modeling and forecasting
Statistical physics and nonlinear dynamics of earthquakes
Earthquake engineering
Seismic protection of industrial and architectural heritage constructions
Seismic risks in Central Asia

Invited Speakers

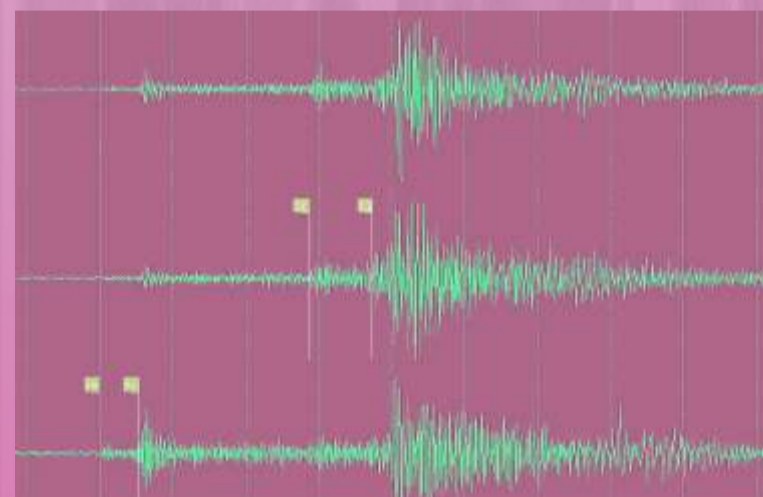

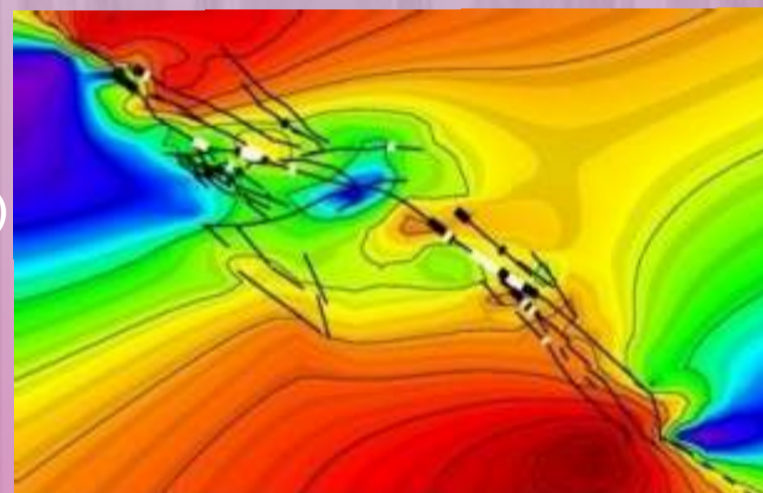

Kabul Abdurashidov, Tashkent State Inst. for Archit. and Constr. (Uzbekistan)
Ilyas Aripov, Turin Polytechnic University in Tashkent (Uzbekistan)
Angelo De Santis, INGV, (Italy)
Toshikazu Hanazato, Mie University (Japan)
Hiroshi Isoda, Kyoto University (Japan)
Davron Matrasulov, Turin Polytechnic University in Tashkent (Uzbekistan)
Chikahiro Minowa, Turin Polytechnic University in Tashkent (Uzbekistan)
Tatsuo Narafu, JICA (Japan)
Yasushi Niitsu, Tokyo Denki University (Japan)
Bakhtiyar Nurtaev, Institute for Geology and Geophysics (Uzbekistan)
Yuri Petryna, Technische Universität Berlin (Germany)
Massimiliano Pittore, Geoforschungszentrum (Germany)
Bakhodir Rahmonov, Urgench State University (Uzbekistan)
Botir Rahmonov, Tashkent State Inst. for Architect. and Constr. (Uzbekistan)
Shakhzod Takhirov, University of California at Berkeley (USA)
Takahiro Tsuchimoto, Building Research Institute (Japan)
Sergey Tyagunov, Technical University of Berlin (Germany)
Kazumasa Watanabe, Civic Cultural Heritage Network Tottori (Japan)

Organizing Committee

Kabul Abdurashidov,	Tashkent State Inst. for Architecture and Constr.
Ilyas Aripov,	Turin Polytechnic University in Tashkent
Ravshan Hakimov,	Tashkent State Inst. for Architecture and Constr.
Davron Matrasulov,	Physical Society of Uzbekistan
Chikahiro Minowa,	Turin Polytechnic University in Tashkent
Kongradbay Sharipov,	Turin Polytechnic University in Tashkent

Sponsors and organizers

Turin Polytechnic University in Tashkent
JICA Tashkent Office
UNESCO Tashkent Office
Physical Society of Uzbekistan
